Our Region One Clinics are growing every year and have been a great experience for everyone who has participated. There are **three** core goals that we are trying to achieve by hosting these Regional Clinics.

- **Education:** We need our coaches, top judges and top athletes to actively participate in our regional clinics. In order to better ourselves we must learn, and there is no better way of learning than the open sharing of ideas, techniques, opinions, training plans, conditioning programs and strategies for bringing out the best in our gymnasts.
- **Building Team Unity:** Team Unity is essential in providing a fun competitive atmosphere for our athletes. The obvious benefit of Team Unity is that it leads to a better performance by our athletes, which is a crucial part of achieving our overall goal of being the best Region.
- **Fundraising:** To raise funds to help outfit our athletes and coaches so our TEAM look is as great as our performance. These clinics are some of the only fundraisers done by Region 1. All profits will benefit our athletes by helping to purchase the additional team apparel for Level 10 J.O. National athletes.

As an incentive to participate in one of the three clinics that we will have had this year, each gym that participates will receive a complete apparel package for athletes qualifying for J.O. Nationals, as well as coaching apparel. Those teams that do not participate will need to purchase the additional apparel for their athletes and coaches. You may purchase this apparel as well as additional sets of the coaching apparel at the Region 1 Championships.
